

Decorating your biOrb Dashing Red

To get this look you will need

- 1 x P45 LIFE Collection Aquarium (in Chilli Red)
- 1 x (A) Medium Green Easy Plant Silk Collection Packs
- 3 x (B) Medium Green/Purple easy Plant Silk Collection Pack
- 1 x (C) Feng Shui Pebble Pack in Green
- 1 x (D) Aquatic Topiary Pack

How to decorate your aquarium

1. Unpack your accessories and rinse under running water.
2. Making sure there are no fish or Ceramic Media in the way, lower the Plants (A and B) into the aquarium.
3. Gently place the rinsed Feng Shui pebbles (C), a handful at a time, around the base working from the centre of the aquarium to the outside edges.
4. Drop the Aquatic Topiary (D) into your aquarium one by one, arranging them with the largest at the back and smallest at the front, for a natural look.
